

## A TYPICAL SCENARIO EVERY YEAR

New academic year begins. After the first two months, begins a cycle of examinations and assessments.

For some students just the thought of “Examination” leads to with symptoms of anxiety: Rapid heartbeat, outbursts of perspiration, and stomach aches, etc.

As Parent, Teacher & Mentor it becomes imperative to help our children make the journey of study an enjoyable one than a burdensome task which the children would be terrified of.

ACE offers a unique **“WORK S.M.A.R.T”** program for the children to ensure that they not only score in their examinations, but empower them for their future which they can deal with confidently and happily throughout their life.
