

Profile

Name: Sangeeta

Roll No: 1 Std: X Div: A Age: 15 Sex: F

GENERAL APTITUDE TEST BATTERY

APTITUDE CATEGORY	SCORES	Range	Special Ability
General Intelligence	109	90 - 110	---
Verbal Aptitude	112	90 - 100	✓
Numerical Aptitude	117	100 - 105	✓
Spatial Aptitude	115	95 - 105	✓
Form Perception	116	110 - 125	---
Clerical Perception	152	115 - 135	✓
Speed & Motor Co-ordination	116	90 - 100	✓

- The aptitude score indicates that the general intelligence is in the normal range and indicates that you could successfully pursue further university studies.
- The special ability is at a significant range for career requiring Verbal, Numerical, Spatial and Clerical Perception skills.
- The Form Perception scores indicate comfort in discriminating and comparing differences between shapes, shadings, widths and lengths.
- The speed of the student is above the normal range.

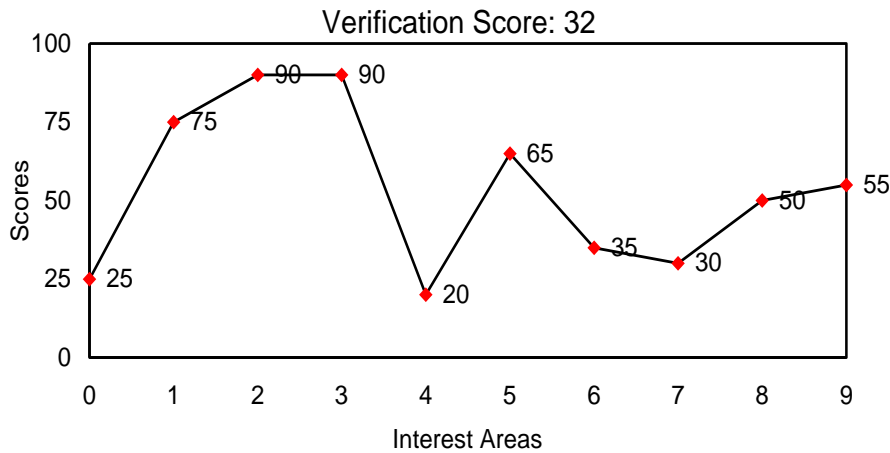

INTELLIGENCE TESTS

Intelligence Tests	Raw Score	Percentile Rank	PR Range Position	Normal PR Range
Verbal	60	90	Above Normal	25 - 75
Non-Verbal	54	95	Above Normal	25 - 75

- The verbal Intelligence scores indicate that the student has exceptional ability to comprehend & solve word problems based on reasoning, logic & analytical skills. The Non-Verbal scores indicate that the student has exceptional ability to solve problems in graphics & designs based on reasoning, logic & analytical skills. The student excels in using right side of the brain.

INTEREST TEST

(Scores only above 75 are to be considered)

- | |
|--------------------------|
| 0 - Outdoor |
| 1 - <u>Mechanical</u> |
| 2 - <u>Computational</u> |
| 3 - <u>Scientific</u> |
| 4 - Persuasive |
| 5 - Artistic |
| 6 - Literary |
| 7 - Musical |
| 8 - Social Service |
| 9 - Clerical |

- Interest that is at a significant range for career choice is in Mechanical, Computational and Scientific areas.
- Occupations Related to Engineering and Technology, Electronics, Mechanical Engineering, Industrial Engineering, Instrumentation Engineering, Aeronautical Engineering, Computing, Chartered Accountancy, Computer Analyst, Computer Applications, Banking, Market Research, Company Secretary, Medicine, Life Sciences, Biotechnology, Genetic Engineering, Rehabilitation Medicine, Alternative Medicine, Nursing, Microbiology, Forensic Science, Nutrition and Dietetics, etc. satisfy this interest pattern
- **It is to be noted that the careers given above are based on interest pattern identified. Actual choice of the career will have to be made based on other factors like Aptitude, Intelligence along-with the interest pattern as recommended on the next page.

PERSONALITY TEST

(Scores lower than the cut-off scores indicate better adjustment)

Area of Adjustment	Score	Cut-Off score
Home	1	13
Health	6	12
Social	16	21
Emotional	11	18

- The student is well adjusted at home and can cope with fear and anxiety arousing situations.
- Sangeeta enjoys good health and may not be easily affected by change in weather.
- The student socializes well.
- The credit for her pleasant personality goes to her parents for ensuring a loving and friendly environment.

Conclusions and Recommendations:

Sangeeta's interests are in Mechanical, Computational and Scientific areas. While selecting a career it is understood that she would find job satisfaction, if she gets an opportunity to work in areas which would fulfill these interests.

These careers could involve the following:

- Maintaining, manufacturing or designing machinery related to engineering products, home appliances or computers.
- Collating data with figures and bringing this data to its logical conclusion through analysis.
- Experimenting, making hypothesis, diagnosing, drawing inferences with regards to scientific topics.
- Perseverance & Perfection in her area of interest could be expected out of her

CAREER PATH

Based on the Sangeeta's identified ability, intelligence & interest, it will be advisable to consider the following career path:

- *H.S.C with Science followed by specialization*
- *Careers which she could consider are Mechanical or Computer Engineering.*
- *Sangeeta has high abilities for Genetic Engineering and Research as well.*

Yoga & relaxation recommended for enhancing potentials.

- Gyan Mudra & Positive auto suggestions recommended for building confidence and also Memory & concentration.
